The Catenian Association manages a Bursary Fund which financially supports young Catholics between the ages of 16 and 24 who are embarking on works of charity involving Christian, particularly Catholic, principles. These will often mean spending a period of time usually in developing countries, teaching or caring for the unwell. The fund also assists young Catholics giving their time to support the sick attending pilgrimages to Lourdes. For more information contact www.thecatenians.com or edmundjaques@gmail.com
